What is an Industry Supported Product Theater (ISPT)?

An ISPT is a dedicated time for Industry to host a session that provides information on a specific product or service of interest to NPs working in the area of gerontology. Since these sessions may be promotional and are specific to a certain product, no CNEs are available for these sessions. The ISPT will allow you the opportunity to highlight your product or service in a relaxed atmosphere while focusing only on your product and the APNs in attendance. ISPT sessions do not compete with any other educational programming in the time period allotted.

Access Fee

The fee for the ISPT ranges from \$20,000 to \$25,000; GAPNA will advertise the ISPT in its conference brochure (time sensitive). Standard audiovisual will be supplied including an LCD, screen, and microphone. Any food and beverages will be ordered through the hotel and paid for directly by the host company.

The access fee applies for each event even if a company holds more than one event. No space will be confirmed without payment in the full amount. The access fee \$20,000-\$25,000 is based on the timeslot selected. Checks must be made payable to GAPNA.
