### What is an Industry Supported Presentation Theater (ISPT)?

An ISPT is a dedicated time for Industry to host a session that provides information on a specific product or service of interest to APNs working in the area of gerontology. Since these sessions may be promotional and are specific to a certain product, no CNEs are available for these sessions. We do accept CNE sessions and these presentations will not compete with promotional sessions.

The ISPT will allow you the opportunity to highlight your presentation in a relaxed atmosphere while focusing only on your product and the APNs in attendance.

### Access Fee

The access fee applies for each event even if a company holds more than one event. No space will be confirmed without payment in the full amount. The access fee is \$15,000. Checks must be made payable to GAPNA.

Access Fee of \$15,000 Includes the following value added services:

- Pre-meeting registration mailing (addresses only) approximately 30 days prior to meeting
