Tell Us About It!

GAPNA wants to hear about your latest news, items of interest, words of wisdom, and other interesting tidbits from the world of geriatric advanced practice nursing. Make it brief — 200 words or less (photo's welcome) — and we'll make it happen by publishing your news and views in the GAPNA Newsletter and/or on the web site.

Received a promotion or award? Presented at a clinical meeting? Developed a practice pointer or innovation? Experienced a challenging or lighthearted moment with a patient? Need feedback from your colleagues about a clinical or professional situation? Visited a cool web site or downloaded a helpful app? Tell us about it! [Click here](#) to get started.
