## *Find Your Local GAPNA Chapter*

If you're not already an active part of your local GAPNA chapter, we encourage you to get involved. Belonging to a chapter is a great way to network with colleagues and find support among peers who share your passion for caring for older adults. If there isn't a chapter near you, consider starting one!

---

## ***Seasonal Influenza Has a Substantial Impact on Activities of Daily Living in Nursing Home Residents***

Seasonal flu outbreaks cause a substantial decline in functioning among nursing home residents, particularly in their ability to carry out activities of daily living (ADL), according to a new study.
