Obesity and Disability in Older Adults

The prevalence of obesity and disability in older adults has significant public health implications. This case review discusses the benefits and risks of weight loss in older adults and outlines treatment options available to Medicare beneficiaries.

Find Your Local GAPNA Chapter

If you're not already an active part of your local GAPNA chapter, we encourage you to get involved. Belonging to a chapter is a great way to network with colleagues and find support among peers who share your passion for caring for older adults. If there isn't a chapter near you, consider starting one!

You are subscribed to GAPNA's eAlert, a publication for GAPNA members and colleagues. From time-to-time, you will receive an email such as this one with important news and information relevant to gerontological nursing. If you wish to update your email address, please do so by [editing your profile](#) on the GAPNA Website. If you would like to unsubscribe from the GAPNA eAlert, [click here](#).

The Gerontological Advanced Practice Nurses Association (GAPNA) is the organization of choice for advanced practice nurses who want to pursue continuing education in gerontological care and who seek peer support from experienced clinicians.
