Free webinar with 1 CNE “How Much Time Do I Have? The Determination of Prognosis and How to Communicate Effectively”

A free webinar titled “How Much Time Do I Have? The Determination of Prognosis and How to Communicate Effectively” will be held on Wednesday, May 24th, 2017 from 12 PM until 1 PM EST. The webinar will begin with a 40-minute interdisciplinary presentation involving a geriatric physician, a palliative medicine physician, a social worker, and a chaplain. It will introduce some tools to determine prognosis, how to communicate that prognosis effectively, and how to support the patient and family after the communication.

Find Your Local GAPNA Chapter

If you're not already an active part of your local GAPNA chapter, we encourage you to get involved. Belonging to a chapter is a great way to network with colleagues and find support among peers who share your passion for caring for older adults. If there isn't a chapter near you, consider starting one!
