**Nurse Practitioners Medical Malpractice**

A case study with risk management strategies: failure to obtain an adequate medical history, failure to establish a differential diagnosis, failure to order tests and imagery on a stat basis. View the NSO’s new NP case study!

**GAPNA Gives Back**

Due to the generosity of our conference attendees in Nashville, we collected 560 pairs of socks and $210 for Fifty Forward. What an amazing response! Thank you to all who contributed.

**NEW APRN Specialty Certification**

“The purpose of the certification is to better identify APRNs who are most qualified and experienced in managing patient care,” according to GAPNA Immediate Past President Katherine Abraham Evans, DNP, FNP-C, GNP-BC, ACHPN, FAANP. Read more below!

**GAPNA’s Health Policy Priorities**

The GAPNA Health Affairs Committee is dedicated to local, state, and federal advocacy to improve access to high quality care for older adults. America’s aging population continues to grow and is expected to be more than 70 million by 2030, necessitating an enhanced focus on education, advocacy, policy, and
