The Honorable Suzanne Bonamici U.S. House of Representatives 439 Cannon House Office Building Washington, DC 20515

## Dear Representative Bonamici:

On behalf of the 39 undersigned organizations representing the Nursing Community, we would like to thank you for introducing the Protecting Access to Primary Care Act (H.R. 2986). Collectively, the Nursing Community represents nearly one million registered nurses, advanced practice registered nurses (APRNs), nurse executives, nursing students, nursing faculty, and nurse researchers. Our organizations are committed to improving the health and health care of our nation by collaborating to support advancements in nursing education and practice. We commend you for putting forth this legislation to support APRNs in their role as primary care providers and to ensure Medicaid beneficiaries are able to receive the primary care services they need.

H.R. 2986 would extend the provisions of Section 1202 of the Health Care and Education Reconciliation Act of 2010 (PL 111-152) increasing payment for Medicaid primary care services in 2013 and 2014 to specifically include nurse practitioners, clinical nurse specialists, certified nurse-midwives, and physician assistants as providers eligible to receive payment for these services at Medicare rates. The Nursing Community applauds your inclusion of these practitioners to recognize the contributions of APRNs in the primary care arena. Moreover, we support your legislation's goal of ensuring that Medicaid beneficiaries have access to high-quality services from a full cadre of primary care clinicians.

Again, we thank you for introducing H.R. 2986 and for serving as a champion for nursing and APRN practice. The Nursing Community supports the broader effort of improving the delivery of primary care services across America, and acknowledges that your work to promote recognition of the healthcare professionals who provide these services, including APRNs, is critical. If our organizations can be of any assistance, please contact Dave Masson at <a href="mailto:davemason@nursepractitioneradvocacy.net">davemason@nursepractitioneradvocacy.net</a> or 202-251-8107 or Suzanne Miyamoto at <a href="mailto:Smiyamoto@aacn.nche.edu">Smiyamoto@aacn.nche.edu</a> or 202-463-6930, ext. 247.
