Committee Description:  
The purpose of the LGBT Focus Group is to provide information and resources to APRNs to enable culturally competent health care for LGBT elders and their families.

Goals:  
1. Build alliances with all committees and SIGS to ensure cultural competencies in LGBT issues/community.  
2. Provide educational session at 2015 conference.

Volunteer Time Commitment:  
1. Attendance at committee meeting during Annual Conference.  
2. Participation on monthly conference calls.  
3. Approximately 6-12 hours of outside work per year.
