What is an Industry Supported Product Theater (ISPT)?

An ISPT is a dedicated time for Industry to host a session that provides information on a specific product or service of interest to NPs working in the area of gerontology. Since these sessions may be promotional and are specific to a certain product, no CNEs are available for these sessions.

The ISPT will allow you the opportunity to highlight your product or service to APNs in a relaxed atmosphere while focusing only on your product and the APNs in attendance.

ISPT sessions do not compete with any other educational programming in the time period allotted.

Investment

The fee for the ISPT is \$13,500; GAPNA will advertise the ISPT in its conference brochure (time sensitive). Standard audiovisual will be supplied including an LCD, screen, and microphone. Any food and beverages will be ordered through the hotel and paid for directly by the host company.

The application for the ISPT is included. Applications will be reviewed by GAPNA. Applicants will be notified of the acceptance of the application at which time an invoice for a non-refundable deposit of \$5,000 will be generated and due within 30 days. The balance due of \$8,500 will be due no later than **February 23, 2018**.
